OUR MISSION

Every Kid Counts

Mission is to provide assistance to our community's youth through Educational, Athletic and Philanthropic programs. The youth who participate in these programs are provided with a unique opportunity to learn, be involved, and find solutions to the challenges they are facing in today's society. When these programs work together, they help to create a well-balanced sociological life. Your support of this event will help provide the necessary funding to allow EKC the opportunity to continue its mission and programs to help the kids today and in the future.

Your support of this Celebrity Golf Tournament will kick off the "Seasons of Giving" Toy Drive, as well as provide necessary funding to allow EKC the opportunity to continue its mission and programs to help kids today and in the future.
